

Issue

The issue should be “fear of ...”.

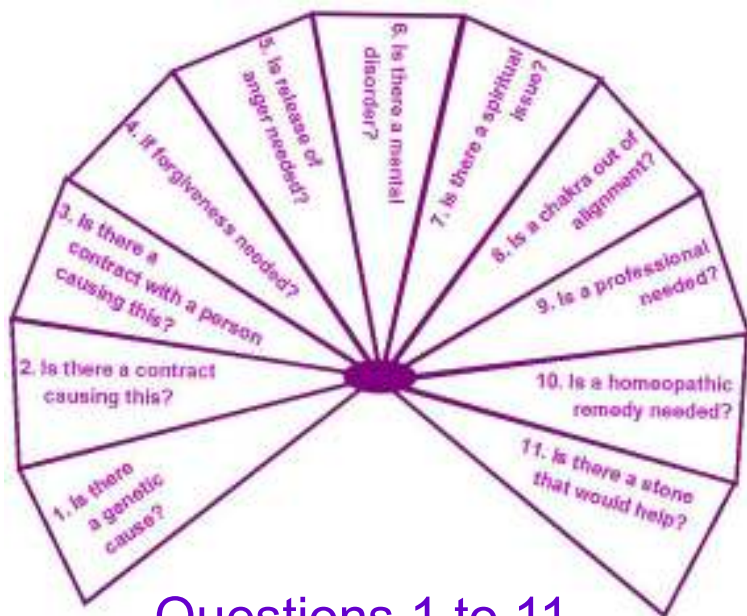

These are suggested categories. The use of “fear of...” represents the separation from the wholeness of love. Dowse to see if you have chosen the correct issue. Sometimes more specifics are needed. With others, less works better.

Always ask permission to do the work. I use, “May I? Can I? Should I? Is it the right time?”

Questions 12 to 21

Questions 1 to 11

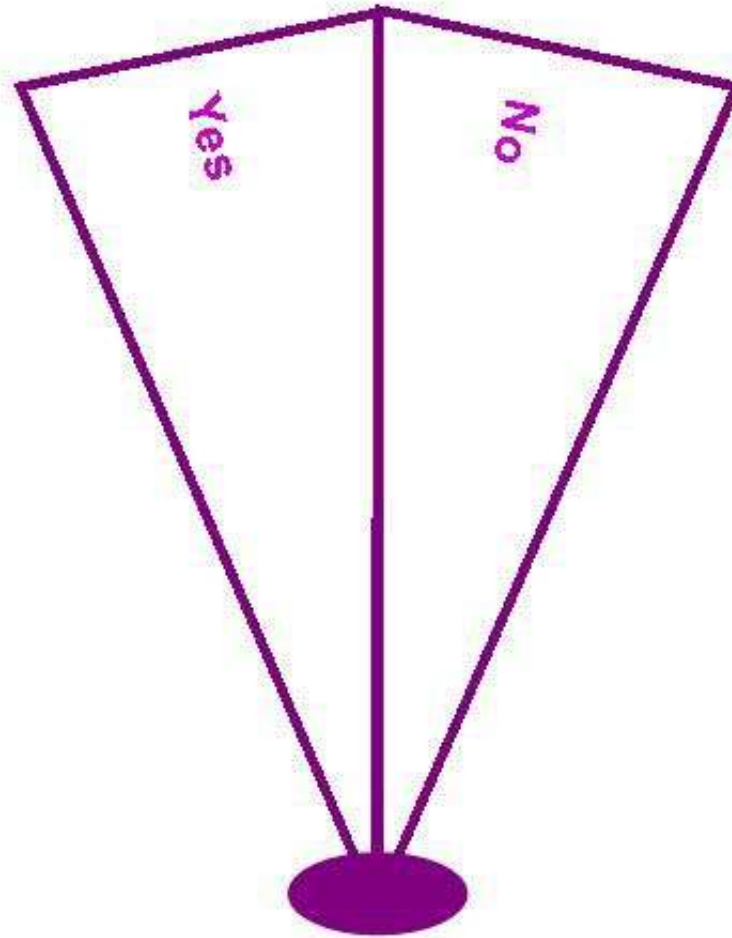

Questions 22 to 31

31 Questions
